A scale rendering of the parcel indicating the installation location of water or service connections must be filed in the office of the City Clerk within 10 days after the connection has been made. The drawing must show exact location of connection and depth below surface.

All damage to the curb lawn, curbing and gutter pan, roadway, and any utilities within the right-of-way must be restored to the satisfaction of the City of Otsego and/or owner of said utilities.

All connections to City water, sanitary sewers, or storm sewer must be inspected by a City employee before back filling of trench. Call 269-692-3391 Monday - Friday 8:00a.m. to 5:00 p.m. when ready for the inspection.
