

Go hands-free. Just drive. It's the law.

It is now illegal to manually use a cell phone or other mobile electronic device while operating a vehicle on Michigan roads. Under the law, a driver cannot hold or support a phone or other device with any part of their hands, arms, or shoulders.

Even if a cell phone or other device is mounted on your dashboard or connected to your vehicle's built-in system, you cannot use your hands to operate it beyond a single touch.

As a result, you cannot manually do any of the following on a cell phone or other electronic device while driving:

Make or answer a telephone or video call.

Send or read a text or email message.

Watch, record, or send a video.

Access, read, or post to social media.

Browse or use the Internet.

Enter information into a GPS or navigation system.

The law makes holding or manually using a cell phone or other mobile electronic device while operating a vehicle a primary offense—which means an officer can stop and ticket drivers for this violation.

PENALTIES

1st violation	2nd or subsequent violations	3 violations within a 3-year period
\$100 fine and/or 16 hours of community service.	\$250 fine and/or 24 hours of community service.	Complete a driving-improvement course.
Fines doubled		
If a traffic crash occurs and the at-fault driver was holding or manually using a mobile device while operating the vehicle, any civil fines will be doubled.

Q Can I use my device while I am stopped at a light or in traffic?

A You cannot hold or manually use a cell phone or other mobile electronic device at any time while operating a vehicle. Operation includes being stopped at a light or in traffic but does not include being legally parked.

Q My phone is mounted on my dashboard, so I'm hands-free. Can I send a text?

A You cannot use your hands to operate a cell phone or other device beyond a single touch, even if it is mounted. Use voice-activated commands instead.

Q Can I use Bluetooth or my vehicle's built-in system?

A You can use hands-free technology such as Bluetooth or integrated systems within the vehicle as long as you do not manually use the system. Anything more than a single touch is against the law.

Q What if I see a crash or have an emergency?

A You can use a cell phone to call or text 911 to report an emergency or seek help.

Q When does this law take effect?

A Beginning June 30, 2023, police will start issuing citations for violating this law.
