INSTRUCTIONS: When completed, this document must accompany a taxpayer's Application for Poverty Exemption filed with the supervisor or the board of review of the local unit where the property is located. MCL 211.7u provides for a whole or partial property tax exemption on the principal residence of an owner of the property by reason of poverty and the inability to contribute toward the public charges. MCL 211.7u(2)(b) requires proof of eligibility for the exemption be provided to the board of review by supplying copies of federal and state income tax returns for all persons residing in the principal residence, including property tax credit returns, or by filing an affidavit for all persons residing in the residence who were not required to file federal or state income tax returns for the current or preceding tax year.

MCL 211.7u Poverty Exemption Taxpayer Fact Sheet

[MCL 211.7u](#) provides for a property tax exemption, in whole or part, for the principal residence of persons who, by reason of poverty, are unable to contribute to the public charges. For purposes of the poverty exemption, the term "principal residence" means how principal residence exemption and qualified agricultural property are defined in MCL 211.7dd. The exemption does not apply to property of a corporation. This Taxpayer Fact Sheet includes updates made to MCL 211.7u by Public Act 253 of 2020.

How To Apply For The Poverty Exemption

To request a poverty exemption, a taxpayer must file:

1. Form 5737 *Application for MCL 211.7u Poverty Exemption*
2. Form 5739 *Affirmation of Ownership and Occupancy to Remain Exempt by Reason of Poverty*
3. All required additional documentation (such as federal/state income tax returns)

Forms 5737 and 5739, along with any additional documentation, must be filed with the local assessing unit where the property is located. **Do not file these forms with the Department of Treasury or the State Tax Commission.** The forms may be submitted to the local assessing unit on or after January 1 but before the day prior to the last day of the December Board of Review during the year in which the exemption is requested.

Taxpayers should contact the local assessing unit directly to verify deadline dates for submission of the forms to ensure the application gets reviewed by a Board of Review during that calendar year.

In addition to filing Forms 5737 and 5739 and any supporting documentation, a taxpayer must do all the following to be eligible for the poverty exemption:

1. Own and occupy the property as a principal residence.
2. Provide federal and state income tax returns for the current or immediately preceding year, including any property tax credits, for all persons **residing in the principal residence** (disclosure of the income of an owner who is not residing in the principal residence is not required). Federal and state income tax returns are not required for a person residing in the principal residence if that person was not required to file a federal or state income tax return. Instead, Form 4988, *Poverty Exemption Affidavit* may be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current or immediately preceding year.

3. Produce a valid driver license or other form of identification, if requested.
4. Produce a deed, land contract, or other evidence of ownership of the property, if requested.
5. Meet the federal poverty guidelines published in the prior calendar year in the Federal Register by the United States Department of Health and Human Services or alternative guidelines adopted by the local assessing unit. The alternative guidelines cannot provide income eligibility requirements less than the federal guidelines.
6. Meet the asset level test adopted by the local assessing unit.

Appeal Rights

An appeal of a decision of the March Board of Review is made by completing and submitting a petition to the Michigan Tax Tribunal no later than July 31 of the same year. A decision of the July or December Board of Review may be appealed by completing and submitting a petition to the Michigan Tax Tribunal within 35 days of the July or December Board of Review's decision. Bulletin 18 of 2023
November 14, 2023
Procedural Changes for 2024

TO: Assessing Officers and County Equalization Directors

FROM: Michigan State Tax Commission

SUBJECT: Procedural Changes for the 2024 Assessment Year

The purpose of this Bulletin is to provide information on statutory changes, procedural changes and reminders for the 2024 assessment year. Additional guidance may be issued later if any pending legislation is enacted by the end of the year.

A. Inflation Rate Used in the 2024 Capped Value Formula

The inflation rate, expressed as a multiplier, to be used in the 2024 Capped Value Formula is 1.05.

The 2024 Capped Value Formula is as follows:

$$\text{2024 CAPPED VALUE} = (\text{2023 Taxable Value} - \text{LOSSES}) \times 1.05 + \text{ADDITIONS}$$

The formula includes 1.05 because the inflation rate multiplier of 1.051 is higher than 1.05.

B. Federal Poverty Guidelines Used in the Determination of Poverty Exemptions for 2024

Local governing bodies are required to adopt guidelines that set income levels for their poverty exemption guidelines and those income levels **shall not be set lower** by a city or township than the federal poverty guidelines updated annually by the U.S.

Department of Health and Human Services. This means, for example, that the income level for a household of 3 persons shall not be set lower than \$24,860 which is the amount shown on the following chart for a family of 3 persons. The income level for a family of 3 persons may be set higher than \$24,860. Following are the federal poverty guidelines for use in setting poverty exemption guidelines for 2024 assessments:

Size of Family Unit	Poverty Guidelines
1	\$14,580
2	\$19,720
3	\$24,860

Size of Family Unit	Poverty Guidelines
4	\$30,000
5	\$35,140
6	\$40,280
7	\$45,420
8	\$50,560
For each additional person	\$5,140

Note: MCL 211.7u states that the poverty exemption guidelines established by the governing body of the local assessing unit shall also include an asset level test. An asset test means the amount of cash, fixed assets or other property that could be used, or converted to cash for use in the payment of property taxes. The asset test should calculate a maximum amount permitted and all other assets above that amount should be considered as available. Please see STC Bulletin 3 of 2021 for more information on poverty exemptions.

Note: MCL 211.7u allows an affidavit (Treasury Form 4988) to be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current year or in the immediately preceding year. This includes the owner of the property who is filing for the exemption.

C. Sales Studies

Equalization study dates are as follows for 2024 equalization:

Two Year Study: April 1, two years prior through March 31, current year

Single Year Study: October 1, preceding year through September 30, current year

For 2023 studies for 2024 equalization the dates are as follows:

Two Year Study: April 1, 2021 through March 31, 2023

Single Year Study: October 1, 2022 through September 30, 2023

Note that the time period revisions apply to all equalization studies, that is: sales ratio studies, land value studies and economic condition factor studies for appraisals. Also note that the revised time period for two-year studies applies to all real property classifications.

D. Property Classification

The State Tax Commission reminds assessors that classification is to be determined annually and is based upon the current use of the property **and not** highest and best use of the property. The Commission is aware that some assessors are still classifying property according to highest and best use and/or are not classifying property on an annual basis. The Commission asks that all assessors take the necessary steps to ensure that all real and personal property is properly classified according to MCL 211.34c.
